

FREE SMOKE ALARM & FREE FIRE SAFETY IN THE HOME TELEPHONE ASSESSMENTS

Are you sure you are safe from fire?
Do you know what to do in the event of a fire?

As a result of COVID-19 Coronavirus, we are temporarily changing how we deliver our Home Safety Visits to the community in East Sussex and Brighton & Hove.

To reduce the risk to you and your family, we are carrying out special virtual visits over the phone where we can talk to you about the fire risk in your home, after which we can: Post you further information. Post you smoke alarms to fit yourself or if the fire risk is high and no one in your home is able to fit a smoke alarm we will take protective precautions and fit smoke alarms for you.

Smoke Alarms save lives but only if they're working. If you don't have a working smoke alarm on every level of your home please call us ASAP.

You should test your smoke alarms regularly, at least once a month.

Do you use heaters to dry clothes?

Do you keep them switched on overnight?

Do you overload plugs?

Are your wires damaged or frayed?

We are still here to help...

To book a **FREE** telephone assessment please call 0800 177 7069

East Sussex
Fire & Rescue Service

REMEMBER, IN THE EVENT OF A FIRE, GET OUT, STAY OUT AND CALL 999.

I would like to request some Free Fire Safety Advice.
